ALLERGY SEASON

During allergy season, our pharmacists can provide essential support by offering over-the-counter medications like antihistamines and nasal sprays to relieve symptoms such as sneezing and congestion.

We also carry non-medication options like saline rinses and air purifiers. Our friendly team can help customers choose the best treatments, explain usage and provide tips on avoiding triggers.

Additionally, our pharmacists can assist with prescriptions for more severe symptoms and provide information on allergy testing services.

Don't let allergy symptoms get in the way of life. Speak to our pharmacy team today!

WE'RE HERE FOR YOUR FAMILY

Did you know that our pharmacist can assist with many general family health concerns?

Building a trusted relationship with your local pharmacist is just as important as having a trusted family doctor.

Pharmacists who understand the health needs of your family can be thought of as an important go-to resource for those times when getting in to see a doctor is difficult.

Talk to your local pharmacist about any general family health concerns today.
